THIS LETTER SENT VIA AIR MAIL

Dear Prof. Meazzini and Dr. Ricci:

Congratulations! It is my sincere pleasure to inform you that the Italian Association of Cognitive-Behavioral Psychology and Psychotherapy has met all of the criteria required to become an International Associate of the Association for Advancement of Behavior Therapy. Congratulations!

Please note that we will list Carlo Ricci as President and will change our records in 1996 to list Dr. Maria Romagnuolo as President. Am I correct that correspondence to Dr. Ricci should be addressed to Istituto Walden, Via di Campo, Marzio, 12-00186 Roma, Italy? I would appreciate your sending us Dr. Romagnuolo's address too. Thank you.

AABT holds an International Associates Meeting each year at its Annual Convention. We will have the notice sent to Dr. Ricci that indicates the day, time, and location. Also, we have an International Associates Dinner on Friday night during our convention. You are most welcome to attend and to bring a guest. Please note that everyone pays for his/her own dinner.

Enclosed please find a form that lists travel and registration information. We will be sending Dr. Ricci a copy of our program once it is available.

Again, congratulations. I look forward to working with you both.

Sincerely,

Mary Jane Eimer, CAE  
Executive Director
